Question of the Week

Last week's question: How many brothers traveled together to buy grain?

Answer to last week's question: ten (Genesis 42:2-3)
5 people answered the question correctly

This week's question: Who watched to see what would happen to a hidden baby?

(Tell Greg your answer by Wednesday evening.)

Lessons from the Book of Ruth

Part 1

The Old Testament book of Ruth is truly one of the beauty spots of sacred literature. For centuries its literary excellence has been applauded by a wide variety of critics. The book traces certain events in the life of a Hebrew family.

In the days of the judges, a famine in Canaan forced Elimelech and his wife, Naomi, along with their two sons, to leave Bethlehem and migrate eastward across the Jordan into the region of Moab. There, the two sons married Moabite women, one of whom was Ruth.

Eventually, both Naomi and Ruth were widowed, hence they returned to Bethlehem. Ruth's magnificent and unselfish plea to accompany her mother-in-law — "where you go, I will go" — (1:16-17) has echoed across the centuries, and is a remarkable insight into the richness of her character.
